Help get a new Disney station on television! Join the fight to bring back the REAL Disney Channel that shows Walt Disney's vision of what a Disney network should be.*

The *Disney* Channel

"The Walt Disney Company is more than a business. It is an authentic American icon. I believe our mission has always been to be bringers of joy, to be affirmers of the good in each of us, to be – in subtle ways – teachers."

- Roy Disney at the Disney Shareholders Meeting, 2004

*Note that we are not trying to alter the current Disney Channel. We would like to see a channel more like the original Disney Channel, which reflected Walt Disney's vision of true family entertainment.
